Upper Tray

Driver's Seat Slide (7 positions / 90mm)

Ample Space for Legs

Bottle Holder

12V Accessory Socket

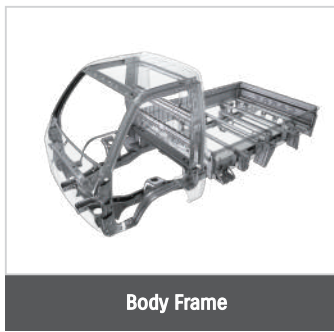

The real power performer.

1.2 DUALJET engine

The 1.2 DUALJET engine features two injectors per cylinder which injects finely atomised fuel to the inner part of the cylinder, resulting in high thermal efficiency. Various advantages such as cooled EGR, piston cooling jets, dual VVT and roller rocker arms also contribute to both powerful response and high fuel efficiency and support business needs.

The power to master any road.
